Blackmagic Design HyperDeck Studio 2

Cena brutto	5 655,90 zł
Cena netto	4 598,30 zł
Kod producenta	HYPERD/ST2
Producent	Blackmagic Design

Opis produktu

Blackmagic Design HyperDeck Studio

Rack mount dual slot SDI and HDMI capture and playback to solid state disks.

Professional broadcast decks that use fast solid state disks! HyperDeck Studio disk recorders let you record the highest quality uncompressed and compressed ProRes and DNxHD video formats using fast 2.5" SSDs. Designed with familiar VTR controls, HyperDeck Studio includes innovative features that extend beyond the capabilities of traditional decks. Dual SSD slots let you record continuously, when one disk is full recording automatically continues on the next SSD. You can mount an SSD recorded using HyperDeck Studio on to any computer to access your files, so you don't need multiple decks to work with your media! There are two great HyperDeck Studio models to choose from.

The world's first SSD video recorder that lets you record forever! HyperDeck Studio features dual SSD slots and automatically continues recording onto the next SSD when one record disk fills! HyperDeck Studio records and plays back uncompressed QuickTime and compressed Avid DNxHD MXF files. HyperDeck Studio has a familiar deck style user interface, removable SSD disks and serial control for a 21st century broadcast deck!

Features:

- Continuous SSD Recording
- Professional Video Connections
- Familiar VTR Controls
- Fast SSD Technology
