Opis produktu

Smart Videohub 20x20 is a larger advanced Ultra HD mixed format router with a built-in control panel and monitoring. Ideal for larger workgroups and mobile broadcasting, it includes advanced 6G-SDI connections so you can simultaneously connect and route any combination of SD, HD, and Ultra HD video all on the same router at the same time. You also get revolutionary new visual routing with the unique spin knob control, push-button panel, and built-in LCD screen. Also includes Ethernet for remote control and a fully customizable software development kit for Mac and Windows.
