Sescom iPhone / iPod / iPad Right Angle TRRS to XLR Mic & 3.5mm Monitoring Jack Cable 0,3 m

Numer katalogowy **IPHONE-MIC-1RA**

Producent **Sescom**

Opis produktu

This 3.5mm TRRS to XLR cable allows you to connect a pro XLR mic to your iPhone, iPod or Blackberry and take advantage of the many apps designed for audio recording on a Smartphone. Using external microphones will improve the quality of your recordings. Built with phantom power blocking and impedance matching components. This cable also features a headphone monitoring tap for critical applications such as field reporters & news gathering professionals.
